

## Speech Language Pathologist (Private Practice)

Talk Play Learn Speech Language Pathology

Milwaukie, OR 97222

Temporarily remote

### Job details

Salary: \$40 - \$50 an hour

Job Type: Full-time/Part-time

### Who we are:

Come join our team! We are a growing practice with flexible hours and schedules.

Opportunities to advance from part time to full time with a Tx rate of \$40-\$50/hr DOE. Work from home or in the office doing teletherapy and, when prudent, we will transition to in-person sessions, as well as continue teletherapy when possible. Talk Play Learn Speech Therapy is a growing, SLP-owned private practice in Milwaukie, OR. We work with children ages 3-17 and a variety of conditions. This job is great for the SLP that enjoys working with both the child and the child's caregiver. We work to engage the child's interests and focus on the family's goals while keeping sessions fun and building the child's confidence in their growing skills.

We believe in building a practice that fosters creative and collaborative care for children as creates opportunities to learn new skills. Our clinic provides an enjoyable place to work and we believe in work life balance. We value your time as a professional and pay for both contact time and administrative time (different rate). We have a large library of materials and resources, both online and in the office, and believe in learning from each other to minimize the time spent reinventing the wheel.

### Job Duties:

- Provide speech and language therapy and complete session notes daily.
- Complete evaluations and progress reports as needed and develop customized plans of care.
- Provide support to families and collaborate with other disciplines.
- Willingness to treat a variety of Communication Disorders and learn new techniques and approaches.

**Job requirements:**

- Available 10-30/hrs/wk
- Willingness to work with pre-K through school-age clients.
- Comfortable treating a range of delays/disorders, including speech sound disorders, receptive-expressive language disorders, fluency, social communication and working with AAC communicators.
- Ability to complete all required documentation in a timely manner.
- Willingness to provide both teletherapy and when safe and viable, in person sessions.
- Ability to work from home in the event of a public health crisis.
- Must have good communication skills, ability to manage schedule and caseload.

**Required Qualifications:**

- Masters degree in Speech Language Pathology
- Current Oregon State licensure
- ASHA Certificate of Clinical Competence
- Pediatric Experience
- Must submit a resume and cover letter

**Preference Given To:**

- PROMPT Trained
- Spanish-speaking bilingual
- Russian-speaking bilingual

**Fringe Benefits:**

- Some Professional Development Opportunities
